WHEREAS, NJAC 5:30-9A.6 and 5:31-4.1 allows greater flexibility for local units in implementing the claimant certification requirement set forth in NJSA 40A:5-16(a)

WHEREAS, certain changes now permitted would accelerate the Borough's bill paying process

WHEREAS, after review with the Borough's accountants the following changes were recommended:

1. The Borough should give consideration to using the threshold allowed by the boards of education which is 15% of the bid threshold for required claimant signatures. For the Borough the amount would be \$2,625.00 which is 15% of the Borough's bid threshold of \$17,500.00. Therefore, claimant signatures would only be required for all purchases over \$2,625.00 excluding advances, employee reimbursement for expenses, professional fees and payments made for services provided exclusively and entirely by an individual (eg sole proprietor) which would require signature regardless of the amount.
2. The Borough may elect not to require claimant certification for transactions where the payment is made through standard EFT technologies.

WHEREAS, after careful consideration and review the Governing Body of the Borough of Moonachie has agreed with both recommendations.

NOW THEREFORE BE IT RESOLVED by the Governing Body of the Borough of Moonachie that claimant certifications (signatures) will no longer be required for purchase orders of \$2,625.00 or less except for advances, employee reimbursement for expenses, professional fees and payments made for services provided exclusively and entirely by an individual (eg sole proprietor) which would require signature regardless of the amount. In addition claimant certifications would not be required for any transaction where the payment is made through standard EFT technologies.

**BOROUGH OF MOONACHIE
BERGEN COUNTY, NEW JERSEY
RESOLUTION #22-**

WHEREAS, NJAC 5:30-9A.6 and 5:31-4.1 allows greater flexibility for local in implementing the claimant certification requirement set forth in NJSA 40A:5-16(a)

WHEREAS, certain changes now permitted would accelerate the Borough's bill paying process

WHEREAS, after review with the Borough's accountants the following changes were recommended:

1. The Borough should give consideration to using the threshold allowed by the boards of education which is 15% of the bid threshold for required claimant signatures. For the Borough the amount would be \$2,625.00 which is 15% of the Borough's bid threshold of \$17,500.00. Therefore, claimant signatures would only be required for all purchases over \$2,625.00 excluding advances, employee reimbursement for expenses, professional fees and payments made for services provided exclusively and entirely by an individual (eg sole proprietor) which would require signature regardless of the amount.
2. The Borough may elect not to require claimant certification for transactions where the payment is made through standard EFT technologies.

WHEREAS, after careful consideration and review the Governing Body of the Borough of Moonachie has agreed with both recommendations.

NOW THEREFORE BE IT RESOLVED by the Governing Body of the Borough of Moonachie that claimant certifications (signatures) will no longer be required for purchase orders of \$2,625.00 or less except for advances, employee reimbursement for expenses, professional fees and payments made for services provided exclusively and entirely by an individual (eg sole proprietor) which would require signature regardless of the amount. In addition, claimant certifications would not be required for any transaction where the payment is made through standard EFT technologies.

This resolution is retroactive to January 1, 2022 and should be renewed annually at the Governing Body's Annual Reorganizational Meeting.
